Michael L. Johnson is a Staff Attorney on the Firm's document management team, whose responsibilities include, but are not limited to, the identification, review, and production of electronic documents for the Firm's major pharmaceutical, products liability, toxic tort, and other complex litigation. The team ensures that all document productions meet the new e-discovery rules as well as the Firm's exacting QA and QC standards. The team provides cost-effective document management in the increasingly complex e-discovery environment in which our clients find themselves.
