1 On September 30, 2013, Defendant Novartis Pharmaceuticals Corporation's ("NPC")
2 Motion for Summary Judgment came on regularly for hearing in Department 302 of the San
3 Francisco Superior Court. Plaintiff Sherri Watson ("Watson") did not oppose the Court's
4 tentative ruling GRANTING NPC's Motion for Summary Judgment, and oral argument was not
5 held.

6 After considering the papers filed in support of Defendant NPC's Motion for Summary
7 Judgment, and the lack of opposition papers filed by Plaintiff Watson, the Court finds that
8 Defendant NPC is entitled to judgment as a matter of law under California Code of Civil
9 Procedure section 437c. There is no triable issue of material fact because Plaintiff Watson cannot
10 establish: (1) that she has suffered any cognizable injury; (2) that any warning provided by NPC
11 was inadequate; and/or (3) that any allegedly inadequate warning proximately caused harm to her.

12 NPC's Motion for Summary Judgment is hereby GRANTED in its entirety and judgment
13 entered in favor of Defendant NPC and against Plaintiff Watson.

14 IT IS SO ORDERED.
